## Barn News

There has been a plethora of improvements about the barn. Turnouts, haybarn, fresh paint, new waterers, flowers, and viewing areas to name a few. Please do your part in keeping the place looking nice by throwing out your water bottles and trash. If you want to put hay in the turnout, please use the buckets so it is easy to remove. Also please close the gates when you are done to relieve stress on the hinges.

Supplements! Beginning June 1 all supplemental feedings must be bagged unless you feed a liquid. Chelsea is taking over feeding while I am gone in June and some of July. Please make sure your baggies are labeled with a name that matches your horse's stall.

Welcome Paula Andersen and her horse Marco to the barn! Paula is getting back into riding, often practicing on Trillion. Marco is a cute 4 year old quarter horse. Congratulations to Bobbie Schaefer on the purchase of her new hunter, Cherendello.

Nutrena presented a clinic free to AHJA members and Crestline Farm clients in May. We are hoping to have them return this summer/fall to evaluate each horse on their weight and suggest a specific diet. Overall, they seemed to recommend Empower Topline Balance for our horses. (This is available at PetClub).

## Worming

The following is a chart provided by SmartPak on what wormers are best to use as some wormers are becoming less effective. According to SmartPak, you should only worm twice a year and worms are dormant when it is regularly over 90°F.

Active Ingredient	Product Name	Small Strongyles	Large Strongyles	Ascarids Roundworms
Fenbendazole	Panacur	Widespread resistance	Full Efficacy	Full Efficacy
Oxibendazole	Anthelcide EQ	Widespread Resistance	Full Efficacy	Full Efficacy
Pyrantel Pamoate	Strongid Pyrantel	Resistance	Full Efficacy	Full Efficacy
Ivermectin	Zimectrin Duramectin Ivermectin	Emerging Resistance	Full Efficacy	Resistance
Moxidectin	Quest	Emerging Resistance	Full Efficacy	Resistance
Ivermectin + Praziquantel	Equimax Zimectrin Gold	Emerging Resistance	Full Efficacy	Resistance
Moxidectin + Praziquantel	Quest Plus	Emerging Resistance	Full Efficacy	Resistance

# Horseshow Results
