Barn News

Congratulations to Juno for welcoming her baby boy Austin to the barn! He is adorable and looks ready to ride in all of his barn outfits. We know Juno (and Carlene) are going to be the best mommies!

Barn Jackets – We will be ordering barn jackets with the Crestline Farm logo from It's a Haggertys. Below are 2 options. The one with the collar will be about \$125 and the other will be about \$75. Both are water resistant and they are sending a sample for sizing.

Charcoal Grey

We will post a sign up sheet for those who are interested when the sample comes in.

The Plaid Horse Magazine recently recommended two apps for riders – Horse Riding and PonyApp Official. Horse Riding is good for tracking your horse's workouts. I downloaded Pony App but cannot figure out what it does. Perhaps a teen can get it and explain it to me.

Arizona Hunter Jumper Association – I am in charge of the silent auction again this year. I am looking for any types of items from sports tickets (thank you Tina), to horse equipment, to really anything at all. Crestline Farm will be putting together a coffee/tea basket so we would love any items you can donate toward it. The banquet is on January 12, 2020.

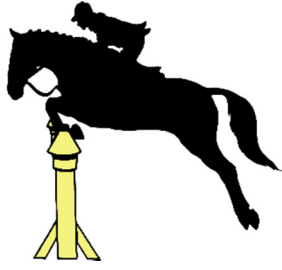

Greenway Saddlery – Greenway is the only English tack shop left in Arizona. I was in the other day and Jane showed me all the boxes of new stuff they have received for fall. The entire warehouse was full! They are beginning to unpack it now so if you need anything please think about supporting them.

Horseshow Results

Del Mar

Del Mar started out rough, lots of bad rides the first day but we all persevered and once our lucky Paula arrived we improved! Mallory and Travis were Champion in the jumpers, Carat was third in the classic, Tina and Shalom had great ribbons including two seconds in the jumpers and a third on the flat, Liv and Maximus had two thirds and two fourths in equitation, Annie and Poke had some strong ribbons including a second, third and fourth in the jumpers.
